

PSYchosis

Story and Brainstorming Guide

Summery:

Following the events of Eternity: Wayward Dawn, Allison Winters is reformed into a sane, capable individual, living among the Eternals as a heavily supervised Xi ranked citizen. But when faced with her past, can such changes stick? Or is she destined to remain the same as she ever was?

Psychosis is a story that follows Allison Winters after Wayward Dawn, and deals with her struggle with her now found sanity and clarity, who she used to be, the death of her love, and who she is destined to be in the grand scheme of the multiverse.
